Our past, our present, our future
Your neighbourhood, your voice

BISHOPSTOKE NEIGHBOURHOOD PLAN

The Neighbourhood Plan is not the same as Eastleigh Borough Council's emerging Local Plan!

The right to create a Neighbourhood Plan was introduced by the Government to enable local people to shape the future of their community. It can include many elements such as transport infrastructure, employment opportunities, environment, green spaces, local facilities and planning requirements for the future. Once in place it will be considered in the assessment of any future planning applications within the parish of Bishopstoke.

We need more local residents to get involved, if you feel you are able to help in any capacity please contact us: Phone: 02380643428 Email: bishopstokenp@gmail.com

To start the process, we are asking everyone in Bishopstoke to complete this short survey. It is one survey response per person. There is an online version available at www.bishopstokenp.org

The survey is open to all Bishopstoke residents of any age, one per resident.

If you require additional forms you can request these by phone or email. Alternatively, each member of your household can complete the online version.

Please return completed surveys to one of our drop-off points before 31st January 2018. If you are unable to return the survey yourself, please contact us and we will arrange collection.

Bishopstoke Neighbourhood Plan Survey – please tick the box that best describes your views
